Covid-19 situational analysis...

Indicator	status
Total Doses Administered	52,587,192
People Received at least one dose	43,135,298
People Completed Vaccination Series(full dose)	36,763,835
Fully-Cov from Total Population	34.3%
Fully Coverage from Target	25.0%
Total Booster	2,623,393
Total AEFI Cases Reported	39,724

Description of the initiative

General objective

- To promote woreda level response to Covid-19

Scope

- Across all regions
- 1000 health centers in 1000 woredas

Funder

- Global fund

Number of HCs selected for integration

No.	Name of region	Number of woredas	Number of HCs
1	Afar	44	44
2	Amhara	190	190
3	Oromia	350	350
4	SNNP	174	174
5	SWEP	54	54
6	Somali	99	99
7	Benishangul G.	14	14
8	Gambella	12	12
9	Harari	7	7
10	Diredawa	5	5
11	Sidama	40	40
12	Addis Ababa	10	10
Total		998	1,000

Activities done

- Health centers were selected based on specific criteria
- Comprehensive case management training provided to 850 health centers (85%)
- Transferred budget (23,478,065) to RHBs in 2014 EFY for supportive supervision
- Distributed oxygen concentrators, pulse oximeters and flow splitters
- In collaboration with EPHI, prepared Covid-19 response integration roadmap, transition strategy, integration SOP, treatment guideline, and a reporting format.

Medical equipment distribution

No	Region	Unit	Quantity allocated		
			<i>O2 concentrator</i>	<i>Pulse oximeter</i>	<i>Flow splitter</i>
1	Afar	Each	109	30	8
2	Amhara	Each	775	190	52
3	Oromia	Each	1,235	300	80
4	SNNP	Each	465	115	32
5	SWEP	Each	112	27	8
6	Somali	Each	355	89	25
7	Benishangul G.	Each	68	17	5
8	Gambella	Each	49	12	3
9	Harari	Each	32	7	3
10	Diredawa	Each	32	8	2
11	Sidama	Each	144	35	9
12	Addis Ababa	Each	50	20	10
Total			3,426	850	237

Challenges

Liquidation of
transferred budgets

Procurement (bid
process)

Burning platform?

Plans

Finalize procurement and ensure distribution of additional IPC equipment

Additional training to relevant health center professionals

Ensure integration strategies, guidelines and SOPs reach intended targets

Budget support to RHBs for conducting supportive supervisions

National level technical supports in collaboration with EPHI

Continue resource mobilization

Conduct review meetings

Expectations

Ensure health centers prepare a separate room for Covid-19 management

Conducting strong supportive supervisions

Conduct the trainings in collaboration with RHB EOC, MOH and EPHI

Ensure distributed equipment are used properly

Proper budget utilization and liquidation

Regular reporting of progress

THANK YOU!!!
